

Thank you for your interest and support in my children's story book
"Planet Earth Needs Our Help"

If you go to my website you will find free online resources (that I will be regularly updating and developing) to accompany my storybook and begin a magical journey of your own, with your Eco family and friends!

www.planeteearthneedsourhelp.com

Here you will find:

- **A video of my story**, which can be followed whilst looking at the book "Planet Earth Needs Our Help".
- **Notes** –linking to each page of the book with fun ideas and helpful projects you can do.
<https://planeteearthneedsourhelp.com/wp-content/uploads/2021/07/2-PE-SchoolNotesToGoWithBook-2020.pdf>
- **Notes on "the science behind"** global heating, climate change and other topics covered on each page of the book.
- **A downloadable** activity book and worksheets, with creative activities that link to pages in the story book
- **A helpful action sheet** - "20 simple things we can all do to help reduce Global Warming".
- **The website** also has links to resources and organisations that may help you to find out more about the different topics in the book.
- **2024: A new project begins "Action Speaks Louder"** - caring for ourselves – caring for our planet. Gardens & "stuff" with ideas for more creative activities that link to the themes in the book, including "The Science Behind".

I hope you enjoy using this project to help discover, learn and find, fun, sustainable ways to care for yourself and our amazing Planet Earth.

Marylyn
